The air smelt like smoke. It was a hot, stuffy night. "Arcanines, kill those BadGuys!" Officer Jenny commanded. The Arcanines were doing all they could to stop those bad guys. Just then, a black streak of light ran across the night sky. "Oh, my, god! Arcanines, stop! Run!"Officer Jenny said. The Arcanines ran, while one of them stopped to let Officer Jenny sit on its back. She made no hesitation to jump on her Arcanine. It ran and soon caught up with its friends.

********** "Ashura! No one sent you here!"Tjest said, growling. "I have come to stop you. I am no longer a part of the Dark Pokemon League."Ashura said. "But your Pokemon, Dark Pikachu, is a Dark Pokemon."Tjest said. "No need to worry. Right?"Ashura said calmly. "Pika!(yea)". "Be forewarned, Ashura, be forewarned."Tjest said, then vanished. the whole lot that had been attacking vanished as well. "Well, done, Ash. You have proved yourself. But we don't know if we can trust you or not."Erika said. Ash was startled by her sudden appearance, that he stepped back. "Look, I don't *heck* care what you think. All I know is that we gotta stop this war."Ash said. Erika frowned. "Now, let's see. Bruno's with us, *Misty* too."Erika said, raising her voice when she said Misty. "Who else?"Ash asked. "Well, if you consider me, then...oh, yeah, Duplica!"Erika said. "Someone forgot me? How touching."Duplica said. Ash sighed. "Can everyone stop scaring me?"Ash asked. "I scared you?"Erika said. "How wonderful."she continued sarcastically. "Well, c'mon. Whether you like it or not."Duplica said. They transported themselves to the base. Bruno was waiting for them. "'Bout time you guys showed up."Bruno said. "Well, we're leaving now."Ash said. "What?!"Misty

suddenly asked, surprised. "Of course, we're leaving now." Ash said. Then he took his cape, which was black, and tied it to his shirt. The rest of them did that too.

********** "Forgetting me?"a mysterious voice asked. "Look, Sabrina, are you coming?" Erika asked. "Of course."Sabrina answered calmly, as she walked into the light. Then all of them set off.

"There's a forest over there. We've gotta cross it to get to Mount Ridge."Misty said. "Okay. I'll handle that easily."Ash said. "Go, Starguide!"Ash said as he took his Pokeball and threw it. A Pokemon that was fully black, and looked like a Starmie appeared. "Misty calls Water Diamond!"Misty said as she unclipped a blue badge from her jacket. Sabrina took out her Pokeball and out popped a Ponyta. She climbed onto it. "Erika, wanna share?"Sabrina offered. Erika hopped on. "Well, Bruno needs some help."Duplica said. Sabrina nodded. Duplica transformed into a Rapidash. "Okay, Bruno boy, hang on!"Duplica said.

********** By evening, they reached Mount Ridge. "Do we have to go there now?"Duplica asked, panting. "Well, no. We'll take a good night's rest then we'll continue."Ash said. Bruno cooked up some delicious food. "So when are we meeting Brock?" Ash asked. "Soon. At Ridge City."Bruno answered. After that, a ll of them went to bed.
